

PANATHINAIKOS

U11 Club Program

Volleyball

Program Goals

Our goal is to develop a well rounded player with the skills and Game IQ to be able to play all positions, instead of limiting them by forcing them to specialize in one position.

Program Coaching

Training is designed and run by Sasa Vasiljevic, National Director, PAO Volleyball. All teams will have their own assigned PAO Staff coach as well for training and games.

Program Training

The U11 Club Program is designed to prepare players for competitive U12 volleyball. Training includes: (3) camps, (44) team training session & (20) circuit training sessions.
